To whom it may concern,

As representatives of the Heart of Texas Youth Action Board (YAB), we are committed to expanding justice for youth in the Heart of Texas region through housing opportunities. We are thankful for the opportunity to participate in making decisions that will impact young people in our community.

- We certify that each of us are under the age of 25.
- Four of the five seats on the YAB are filled by a young person who has experienced homelessness or is currently experiencing homelessness.
- The YAB has representation on the Heart of Texas Homeless Coalition Board.
- We commit to reviewing and approving the Youth Homelessness Demonstration Program (YHDP) application submitted by the Heart of Texas Homeless Coalition/TX-604 CoC.
- We commit to participate in the development, review, and approval of the coordinated community plan to prevent and end youth homelessness as part of the YHDP Team.
- We are a formal committee of the Heart of Texas Homeless Coalition since April 2018.

We have a good understanding of both the strengths and needs of our peers who are in similar situations. We are eager for our voices to be heard in this way and our perspective is highly valuable. We are confident that our perspective is vital to the success of our community's implementation of the Youth Homelessness Demonstration Program. The Heart of Texas Homeless Coalition Youth Action Board has already submitted ideas for projects that has informed this application process. We have reviewed and approved the application and we look forward to partnering with the Continuum of Care to plan and implement interventions that serve homeless youth in Waco and our surrounding counties.

Sincerely,

The Heart of Texas Youth Action Board
